

CEMTEC KLEEN

ACID CLEANER AND SCALE REMOVER

CEMTEC KLEEN is a colored, specially inhibited, liquid acid cleaner with a pleasant odor. It is a safe replacement for muriatic acid having virtually no fumes and being harmless to most paints and finishes.

WHERE USED

CEMTEC KLEEN is used for removing concrete and cement buildup from ready-mix trucks, mixers, forms and tools. **CEMTEC KLEEN** in a diluted form, is used to remove mortar smear from masonry and exposed aggregate panels and mineral deposits from metal or enamel surfaces.

ADVANTAGES

- Ready to use on concrete equipment.
- Can be used on steel or painted surfaces.
- Detergent action removes oil and
- grease scum.

DIRECTIONS FOR USE

To remove concrete buildup from mixer trucks, apply **CEMTEC KLEEN** with stiff brush and allow to stand for 5 to 10 minutes. Be careful to avoid spattering. Brush loosened concrete and oil scum off the equipment and flush thoroughly with water. Excessive buildup may require a second application. For cleaning brick, glazed tile or other masonry surfaces, add 1 part **CEMTEC KLEEN** to 1 or 2 parts water. Pre-wet the masonry thoroughly, then apply the cleaner. Rinse thoroughly when finished. It is advisable to wear rubber gloves when working with **CEMTEC KLEEN**.

WARNING

CEMTEC KLEEN CONTAINS HYDROCHLORIC ACID - CAUSES BURNS, MAY BE FATAL IF SWALLOWED - AVOID BREATHING VAPOR. DO NOT GET IN EYES, ON SKIN OR ON CLOTHING. KEEP CONTAINER CLOSED USE WITH ADEQUATE VENTILATION. WASH THOROUGHLY AFTER HANDLING. KEEP OUT OF REACH OF CHILDREN!

FIRST AID

External : Skin - wipe off acid gently and flood immediately with water using soap freely.

Eyes : Wash eyes with water for at least 15 minutes. Call a physician immediately.

Internal : If swallowed, DO NOT INDUCE VOMITING. Give large quantities of water. Give large doses of milk of magnesia, beaten egg whites, olive oil or milk. Never give anything by mouth to unconscious persons. Call a physician immediately.

QUALITY STATEMENT

CMCI manufacture its products at their manufacturing facility in Saudi Arabia as per the Quality Procedures certified to conform with Quality Management System described in ISO 9000 series

CMCI provides a comprehensive technical support system for its full range of high performance construction products. CMCI also offers full technical field support to consultants, Architects, Contractors, applicators and End Users

The Technical Specification information and recommendation given are based on the current technical knowledge and the user or his representative is recommended to check the suitability of the product. CMCI reserves the right to amend the technical characteristic of the product as part of ongoing research and development. As the work execution is beyond the direct and continuous control of CMCI no guaranty and or responsibility is assumed on the performance of work completion executed with use of our products.
